

Hi,

We hope your week is not only productive in workflow and family time but also in your spiritual growth. Spending time in daily prayer, Bible study, and reflection is crucial. Being part of a small group, in-person or online, is a great way to keep that going. Attending worship on Sunday is another avenue that can help bring you to God's throne. Don't miss out, and don't let the "new normal" take away what God has planned for you.

On Sunday, August 2nd, we are having a special prayer emphasis in our Worship Services for the upcoming school year. Along with that, we are planning to pray at schools that evening based on where your child attends. More details will be coming soon.

RETURN TO LIFE GROUPS

We are excited to return to limited Adult and Student Life Groups and children's classes again on Sundays, beginning August 9th! **Contact your Life Group leader for details about your group.**

Don't have a group? Give us a call at 445-5640 or text "link" to 555-888 and we will help find the right place for you!

*We will continue to follow phase guidelines as they unfold. Find more info at calvarynet.net/return

BACK TO SCHOOL SUPPLY DRIVE

Once again, Calvary is partnering with Horseshoe Dr. Elementary for the 2020-2021 school year, and we need your help. Our goal is to provide all school supplies and one complete uniform for all 400+ students that will attend. (The supply list includes items such as 16000 pencils, 750 notebooks, and 500 glue sticks!) You can participate by donating \$40 per student, the average amount for one student's school supply list. [Click here to donate.](#) The church will purchase the

items in bulk and have them shipped in time for school to begin! **Donations will be collected now through August 10th.**

DONATE

“We are grateful to be back in corporate worship at Calvary. The initial absence left us starved to see our brothers and sisters in Christ each week. We are meant for physical community, to build each other up in order to face the world with God’s light. The return has been a blessing!”
- The Broussard Family

“This whole Covid experience has made us realize how much we take for granted! While we enjoyed our “ virtual “ church services, they are no replacement for being together! The chance

to come back to Calvary in a safe manner and to be able to sing, pray, and worship in the sanctuary did our souls good!" - Blake and Belle Chatelain

Join us for worship this week at 9:00 am or 10:30 am. **No registration required!** The services are identical and *limited childcare is available for children entering Kindergarten and younger.*

For all the details, [please visit our website](#). It covers what we are doing, what you need to do, and other information you will find helpful as we adjust to our new way of gathering under current guidelines.
